At the Abbey College we expect all of our students to have a 100% attendance rate for their lessons and engagement in associated after school clubs and activities.

Registration

Each weekday morning all of the students must attend Registration in the Dining Hall. This takes place **between 08:00 and 08:25** and is recorded on a paper record by the welfare staff, which is then transferred to an electronic record at the end of each day.

When students come to Registration they must be wearing dress code (unless the College declares it a nonuniform day). If they are not wearing dress code, they will not be registered.

If a student does not attend registration, a member of staff will go to their room to ensure they are present at the College. Please refer to the Behaviour Management policy for sanctions if a student misses Registration.

Registers & Reporting Absences (Extract Taken from the Staff Handbook)

Registers are essential for a number of reasons, including our duty of care and our responsibly to the UKVI.

At the College we use a Daily Register, which is available on SharePoint, filed in the Staff Files folder. It is the responsibility of the teacher to print them as required.

The register is used to record attendance only and each one shows the seven periods of the day, and the teacher should complete the relevant period(s).

Once completed the registers should be given/sent to the Librarian.

The information from these registers is then recorded on individual student records and the central attendance register on SharePoint.

| The following codes should be used in completing registers: | | | | | | | |
|-------------------------------------------------------------|---------------------------------------------|--|--|--|--|--|--|
| / | Present | | | | | | |
| А | Absent | | | | | | |
| L | Late (Teachers should also record how late) | | | | | | |

If a student is missing from class, (regardless of age) please report it to the following people:

| Position | Extension No. |
|-----------|---------------|
| Principal | Ext 310 |
| Welfare | Ext 312 |

If no one is available on these numbers, please phone the main office on ext. 304 or 305.

Staff can notify welfare team via Microsoft 'teams'

The only reason for a legitimate absence is if a senior member of staff or has decided to put the student on the sick list or if the student has an Exeat approved by the College Principal. Teachers cannot usually give students permission to miss lessons; the only exception to this is during public examination periods when a student may ask their teacher to miss a morning lesson if they have an afternoon exam.

Staff should refer to the Behaviour Management policy for details on action taken if a student misses a lesson.
